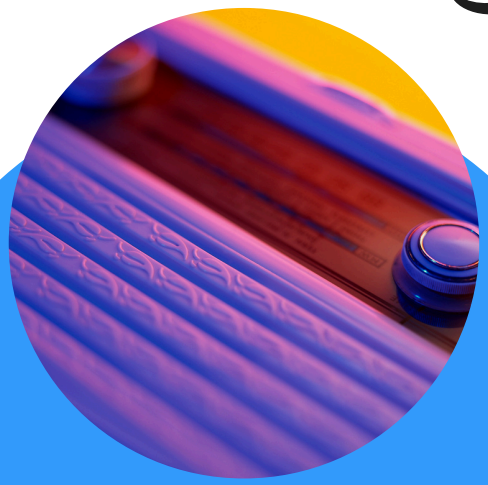
About Us

92.1 2Hay FM is a radio station with a community broadcasting licence. The aim is to provide a comprehensive community entertainment and information service. This service is broad based and provides the opportunity for as much community involvement as possible. Local content is our top priority. Local community news and current affairs reporting is an important part of community radio so we will include this content wherever possible in our programming.

Get your business on the radio today with 2HAYFM today!



Why Us?

- 2HAYFM is the voice of the community
- Ongoing support by industry professionals
- Programs that have local links within the community.
- Support cultural and community activities by being involved with events, concerts and events that strengthen the community.
- We commit to the guiding principles of community radio, and value an inclusive, cohesive and culturally diverse station.
